1	School Council cross-site visit with Mayor	Discussions in class council and at school council have taken place. School Council have decided to talk to the Mayor about recycling in the local area.	Next school council agenda to be about recycling
2	Marking	<p><u>How do teacher comments help you with your learning?</u> Helps to remind us of what to do next Tells us what to do to improve our work Encourage us to write more or focus on our neat handwriting/presentation We know our work is valued and it motivates us to do better Sometimes it helps us practise things that we need to get better at</p> <p><u>What kind of comments do you like/not like? Why?</u> We like to see lots of ticks as it shows us we have understood something When the teacher gives us ideas of new vocabulary to use Spelling corrections Challenges because they are tricky and make us think Examples when the teacher shows us how to work something out We don't like 'see me' comments We don't like it when we can't read the adults handwriting, it's harder to answer the questions</p> <p><u>What kind of marking would you like to see more of in your books?</u> More stickers and stamps More ideas about how we can improve our work Year4/5/6 – more challenge questions</p>	School councillors to feed back to class teachers
