Agenda Items: School Dinners (Meeting with Keely from Caterlink)

Point Number	Item	Opinion	Action
1	Introductions	<ul style="list-style-type: none"> Keely introduced herself as the group manager for Caterlink School Councillors introduced themselves KJ spoke to Keely about how our school council works and what agenda was completed prior to the meeting 	
2	Feedback from School Councillors	<ul style="list-style-type: none"> Children would like a larger variety of fruit. Keely suggested that we could get more tinned fruit. Children would like more flapjack, burgers and custard. Keely said that burgers and custard were a treat to have on themed days. Flapjack could be added to the menu more frequently. Children are very pleased with the variety of choice on offer and think the salad bar is great as you can help yourself. The children would like the different flavour breads to be brought back. Keely asked whether the children knew the names of the kitchen staff. Keely reminded children that they are there to ask questions and help the children make choices. Keely encouraged the children to speak to the kitchen staff as they are there to help. 	School council to feedback to classes about asking the kitchen staff questions.
3	Feedback from Keely	<ul style="list-style-type: none"> New menu has been sent to the nutritionist for approval. Keely will send back to school council to get feedback from children in the school. Keely suggested that school council could have input on the themed days so that specific things could be included on the menu Strawberries and kiwis aren't added to the menu as many children are allergic. Bananas also go off very quickly which is why they aren't included in the fruit platter. A bigger variety of fillings will be added to the jacket potatoes. 	Miss Carr to share new menu with school council when it is sent by Keely.
